Apprentices w classification for work t	ill be permitted to work at less than the predetermined rate for the hey perform when they are employed pursuant to and individually registered

Lowe.

Apprentices will be permitted to work at less than the predetermined rate for the classification for work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Bureau of Apprenticeship and Training. Their wage rate will be their individual warranted percentage of the listed skilled classification prevailing wage rate. Apprentices shall be permitted to work only as the ratio to journeymen as the apprenticeship program standards state.

The meeting adjourned at 11:45	<b>p</b> .m.
